# Dancing Starry Night

CC Lab Final
Tao Wei

Design Questions

What if your favorite painting can dance? What if it can change in state? What if you can change the painting once in a while without having to buy a new one?
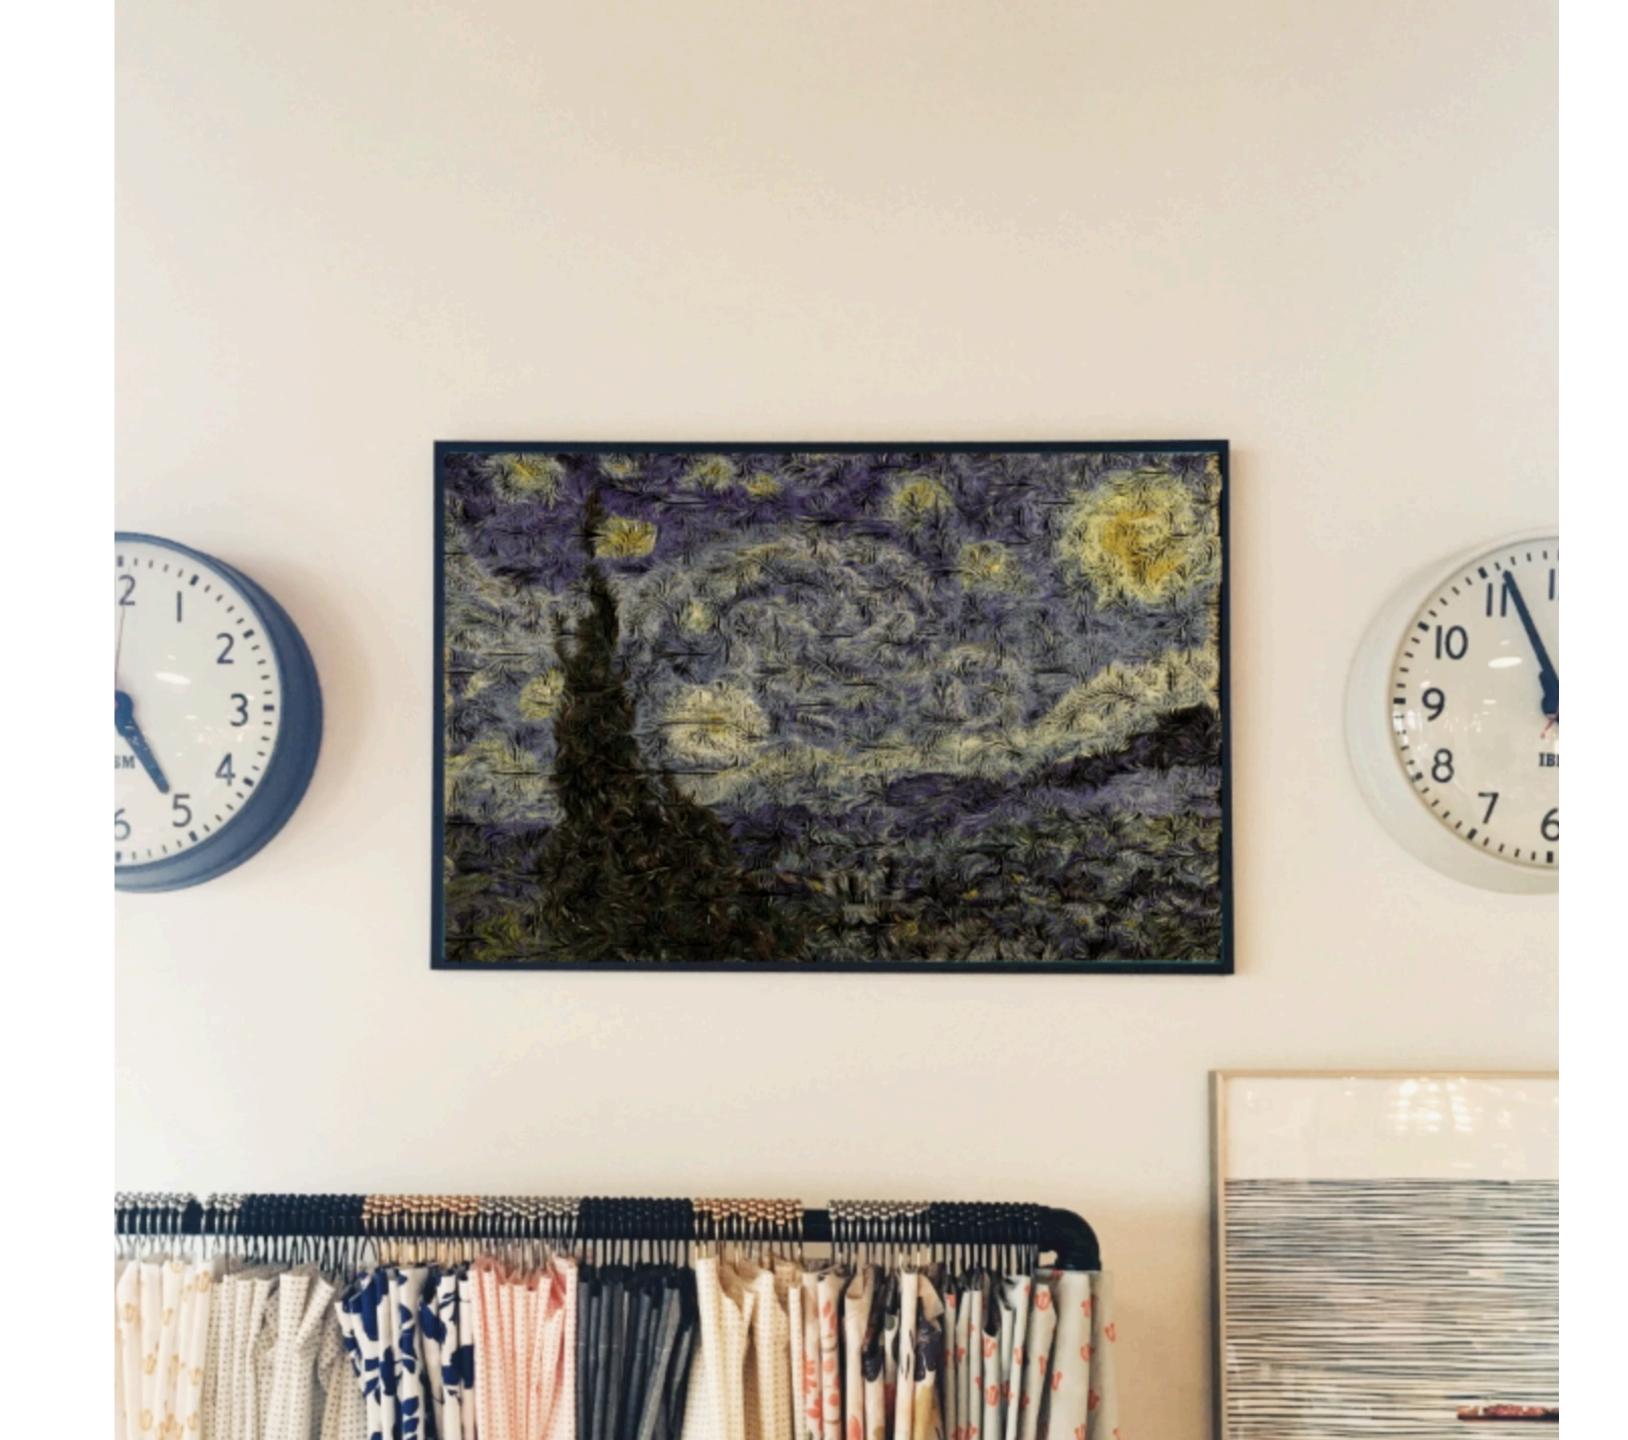

Precedent

Electric Objects

For folks who can't afford the real thing, EO1 is an easy way to get a nice variety of classic and contemporary art on your wall

Solution

A kinetic painting run on open frameworks that changes the visual state of a painting.
It is for everyone who wants a more dynamic home deco piece in their modern homes

Solution

Thank You!
